EMERGENCY PROCEDURES

Emergency phone number: 0800 734 607 (24 hours)
National Poisons Centre: 0800 764 766 (0800 POISON)
The Emergency Services: Phone 111

IF THIS HAPPENS	DO THIS
Vehicle accident	Switch off engine and electrical equipment. Keep people away, warn other traffic. Check for spills, leaks. Call the emergency services on 111.
Spill or leak	In case of spillage it is important to take all steps necessary to avoid eye and skin contact, wear appropriate protective clothing and prevent material from entering water ways. Keep all bystanders away. Reposition any leaking containers so as to minimise further leakage. Absorb spills with inert material and place in waste containers. Contain in a secure location until disposal method is established. Dispose of waste safely. For large quantities seek advice from the manufacturer. Avoid contamination of any water supply with product or empty container. Avoid release to the environment.
Fire	Call the Fire Service on 111. When fighting a major fire wear full protective clothing. Fire will produce black smoke containing hazardous products of combustion. Exposure to decomposition products may be a hazard to health.

FIRST AID

If swallowed	DO NOT induce vomiting. Rinse mouth. For advice contact a doctor or the National Poisons Centre on 0800 POISON (0800 764 766), or a doctor immediately.
If in eyes	Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Get medical attention if irritation occurs.
If on skin	Remove contaminated clothing and flush skin and hair with running water. Get medical attention if irritation develops.
If inhaled	Remove to fresh air. If breathing is difficult, get medical attention.

STORAGE AND SEGREGATION

Storage: Store below 25°C, protect from light. Store in original container. Do not store with food. Store locked up. Keep out of reach of children.

Aggregate Storage Volume Thresholds: When stored with substances of the same hazard the aggregate quantity must be considered. Refer to NZS8409 Management of Agrichemicals and the HSNO Regulations for full details.

Location certificate	Hazardous Atmosphere Zone	Number of fire extinguishers	Hazard Class & Emergency Signage	Emergency Information	Emergency Plan	Secondary containment
NA	NA	NA	≥100 L	≥0.1 L	≥100 L	≥100 L

Do not store or load with: No special requirements

Segregate from: Food or food containers.

Check the Land Transport Rule Dangerous goods 1999, Rule 45001 for additional information.
